

Job Description:

## Graphic Designer

We are looking for an experienced **Graphic Designer** to help in designing a wide variety of digital and offline media. This person will help us create infographics, posters, websites, brochures, logos and many other materials to communicate our ideas and information visually.

We would love to see your portfolio!

### RESPONSIBILITIES

- Communicate an idea using strong visual elements and strategic layouts
- Strategize designs that will elicit a positive response, communicate important ideas and share our values with everyone
- Planning concepts and developing design by knowing and studying relevant materials and information
- Review of final layouts done by yourself or others and suggesting improvements when necessary
- Establish creative direction for the Coalition as needed
- Collaborate on multidisciplinary teams

### SKILLS AND QUALIFICATIONS

- Creativity, creativity, creativity
- Experience as a graphic designer or in related field
- Be familiar with different types of software, such as photo editors and digital illustrators, but a general knowledge of studio art and hand drawing is also helpful
- Ability to give and receive constructive criticism, edit designs and work within a team
- Ability to set personal project schedules and deadlines

Our ideal candidate would be organized, an effective communicator, a connector, have an available and flexible schedule, be a self-starter and a self-manager, and have basic knowledge of climate change and climate action practices.

Applications can be submitted by going to: <https://forms.gle/sTVxy7QZuwygVWAC8>

### Our Vision and Mission:

The SLO Climate Coalition is a community organization committed to creating a vibrant, just, and climate-resilient Central Coast. Its mission is to bring together community expertise, creativity, and resources to champion high impact regional climate solutions that inspire other communities to do the same.
